

West State Archaeological Society Inc.

“Dedicated to the preservation of Florida History”

ABOUT US

WSAS was founded in November of 1976. We are a non-profit organization dedicated to the preservation of Florida history as individuals and as a group. The members enjoy hunting for old artifacts, relics, fossils, coins, and jewelry. We enjoy finding these items and displaying them at our monthly meetings.

WSAS helps our community by helping to find lost rings or jewelry, locate property markers, or any other metal items that need to be located. We have members located throughout the Tampa Bay area ready to help find lost items.

HOW CAN YOU HELP US?

WSAS periodically conducts organized hunts for its members. We need help locating sites that we can use for our club hunts. If you know of a site we could use, please let us know.

HOW A CLUB HUNT WORKS

Once a site is located, the club works with the owner to obtain permissions to hunt on it. Only club members will be allowed to participate in the hunt, and they must adhere to strict rules of etiquette during the hunt as listed below.

- * Active members only
- * Set a maximum number allowed on the site.
- * Hunting only allowed for date and time specified.
- * We will respect your property and leave it the way we found it.
- * No alcohol
- * No firearms
- * Remove all trash we uncover

Any property that has been in use for over 60 years or more is a good candidate. Examples: any property that has (or used to have) an old home, business, or church on it. Also, a site that used to be an orange grove or agricultural field is a good candidate.

Thank you for allowing the West State Archaeological Society to be a part of preserving Florida history.

ATTEND A MEETING!

We are always looking for new members and folks that have similar interests and like to have fun and talk about this fascinating hobby. We meet from 7pm to 9pm on the third Tuesday of the month at the ACCI / CoinaCopia Bldg. 13336 N. Central Ave, Tampa, FL 33612. See below for ways you can contact us or find out more information about WSAS.

We welcome guests to all our meetings. We even give first-time guests a free ticket to our monthly raffle. All you have to do is go to one of the officers and tell them you've seen our website and would like your free ticket.
